## BB Volunteer Leadership Roles

### **Organizational Club Leader**

Provides leadership in helping members and their families determine an annual club plan, the resources needed to carry out the plan and annual enrollment, and serves as a liaison between the club members and the district Extension office. A club may offer a variety of projects involving youth of various ages and several project leaders. Members may come together for activities, service projects and leadership training, and may also meet separately in various project clubs or complete individual projects.

### **Project Leader**

Provides leadership for a group that focuses on one specific project or is organized around a specific activity or need. Your district Extension office has a list of projects and available materials. Project leaders teach young people in a variety of settings — clubs, in-school enrichment programs, afterschool clubs, camps, etc.

### **Activity Leader**

Activity Leaders organize a BB activity or event such as a camp, fashion revue, community service project, hiking trip, showmanship clinic, talent show, shooting sports shoot, fundraiser or other related activity. Activity leaders may serve a short-term role for a specific activity.

### **Resource Volunteer**

Resource volunteers act as resources for the BB program, serving in roles such as:

- a) Judge — Evaluates BB members' accomplishments at contests and county fairs.
- b) Chaperone/Driver — Accompanies/transport groups of BB members to BB events and participates with them.
- c) Business Owner — Invites BB members to explore and learn about potential careers and types of business/industry.
- d) Board Member — Provides input and direction in planning, implementing and evaluating aspects of the BB program.
